16:15 – 17:45	30. Forests and capital in the urbanizing Nordics	1. Into the Blue: Connecting the diverse in water geographies	38. Health and well-being from nature	8. Nordic craft-beer geographies (and beyond)	29. Messy smart cities: Comparative perspectives and methodological challenges	18. Housing in Crises: A European Perspective, Covid-19 and Beyond	44. Land cover changes in (sub-) arctic regions	<i>Panel:</i> History of cartography of the Nordic countries
17:45 – 18:00	Small coffee break							
18:00 – 19:00	3. From global pandemic to sustainable transformation	1. Into the Blue: Connecting the diverse in water geographies	38. Health and well-being from nature			18. Housing in Crises: A European Perspective, Covid-19 and Beyond	44. Land cover changes in (sub-) arctic regions	Reception for History of Cartography Panel

Tuesday 21.6.2022

Time	Room 1	Room 2	Room 3	Room 4	Room 5	Room 6	Room 7	Room 8	Room 9
13:00 – 14:30	14. Sustainable transformation through the lens of rural-urban divide and synergies	40. Nordic legal geography	46. Current Developments in Tourism Geographies	11. The urban and the rural - (two) stories of multiplicity	34. Varieties of Nordic Neoliberalisms: Changing Urban Political Economies in Northern Europe	19. Mobilising, producing and contesting transport and mobility from below: NUMTOTs, metrophiles, revolutionaries	42. Peatlands and environmental change	35. Racism and far right in times of crises: The political ecology of the far right	9. Post-COVID19: whither the borderless world?
14:30 – 14:45	Small Coffee break								
14:45 – 16:15	14. Sustainable transformation through the lens of rural-urban divide and synergies	40. Nordic legal geography	46. Current Developments in Tourism Geographies	11. The urban and the rural - (two) stories of multiplicity	34. Varieties of Nordic Neoliberalisms: Changing Urban Political Economies in Northern Europe	10. Literary geography	42. Peatlands and environmental change	35. Racism and far right in times of crises: The political ecology of the far right	9. Post-COVID19: whither the borderless world?
16:15 – 16:30	Small coffee break								
16:30 – 18:00	14. Sustainable transformation through the lens of rural-urban divide and synergies	45. Beyond numbers and algorithms – deep-diving into the platform-mediated gig economy	<i>Panel:</i> The state of Nordic tourism geographies	26. Reconjugating recreational and residential mobilities in the North: How COVID-19 is changing the ways we move (in) the landscape	34. Varieties of Nordic Neoliberalisms: Changing Urban Political Economies in Northern Europe	10. Literary geography	2. Hydrogeography: fluvial and coastal processes	31. Nordic Geography Education: Educational continuum from school geography to higher education and continuous learning	9. Post-COVID19: whither the borderless world?

Wednesday 22.6.2022

Time	Room 1	Room 2	Room 3	Room 4	Room 5	Room 6	Room 7	Room 8
9:00 – 10:35	25. Climate mobilities	45. Beyond numbers and algorithms – deep-diving into the platform-mediated gig economy	41. Biopolitics and the geographies of tourism	21. Analysis of flows, dynamics, and accessibility	6. Geographies of marginality and territorial stigmatization in an era of policy schizophrenia	<i>Panel:</i> Socio-spatial theory in Nordic Geography I	24. Advances in GIS and open source approaches	31. Nordic Geography Education: Educational continuum from school geography to higher education and continuous learning
10:35 – 10:45	Take away coffee offer							
10:45 – 12:15	22. Cultivating urban agriculture: Assessing success		13. COVID-19, second homes and the development of Zoom-towns	21. Analysis of flows, dynamics, and accessibility	6. Geographies of marginality and territorial stigmatization in an era of policy schizophrenia	<i>Panel:</i> Socio-spatial theory in Nordic Geography II	23. Future health geography and geospatial health	31. Nordic Geography Education:
12:15 – 13:15	Lunch break							
13:15 – 14:35	36. Lively terrains and matters of care in socioecological transformations		13. COVID-19, second homes and the development of Zoom-towns	39. 'Autonomous' geographies	6. Geographies of marginality and territorial stigmatization in an era of policy schizophrenia	<i>Panel:</i> Socio-spatial theory in Nordic Geography III		31. Nordic Geography Education:
14:40 – 15:00	Closing of the conference (Room M 100)
