Forests and capital in the urbanizing Nordics	1. Into the Blue: Connecting the diverse in water geographies	38. Health and well-being from nature	8. Nordic craft-beer geographies (and beyond)	29. Messy smart cities: Comparative perspectives and methodological challenges
17:45 – 18:00	Small coffee break							
18:00 – 19:00	Reception for History of Cartography Panel		44. Land cover changes in (sub-) arctic regions	3. From global pandemic to sustainable transformation	1. Into the Blue: Connecting the diverse in water geographies	38. Health and well-being from nature		

Tuesday 21st of June

Time	Room M101	Room M102	Room M103	Room M105	Room M106	Room M107	Room F100	Room F101	Room F103
13:00 – 14:30	19. Mobilising, producing and contesting transport and mobility from below	42. Peatlands and environmental change	14. Sustainable transformation through the lens of rural-urban divide and synergies	35. Racism and far right in times of crises: The political ecology of the far right	9. Post-COVID19: whither the borderless world?	40. Nordic legal geography	46. Current Developments in Tourism Geographies	11. The urban and the rural - (two) stories of multiplicity	34. Varieties of Nordic Neoliberalisms: Changing Urban Political Economies in Northern Europe
14:30–14:45	Small Coffee break								
14:45 – 16:15	10. Literary geography	42. Peatlands and environmental change	14. Sustainable transformation through the lens of rural-urban divide and synergies	35. Racism and far right in times of crises: The political ecology of the far right	9. Post-COVID19: whither the borderless world?	40. Nordic legal geography	46. Current Developments in Tourism Geographies	11. The urban and the rural - (two) stories of multiplicity	34. Varieties of Nordic Neoliberalisms: Changing Urban Political Economies in Northern Europe
16:15–16:30	Small coffee break								
16:30 – 18:00	10. Literary geography	2. Hydrogeography: fluvial and coastal processes	14. Sustainable transformation through the lens of rural-urban divide and synergies	31. Nordic Geography Education: Educational continuum from school geography to higher education and continuous learning	9. Post-COVID19: whither the borderless world?	45. Beyond numbers and algorithms – deep-diving into the platform-mediated gig economy	Panel (M100?): The state of Nordic tourism geographies		34. Varieties of Nordic Neoliberalisms: Changing Urban Political Economies in Northern Europe

Wednesday 22nd of June

Time	Room M100	Room M101	Room M103	Room M105	Room M107	Room F100	Room F101	Room F103
9:00 – 10:35	Panel: Socio-spatial theory in Nordic Geography (Slot 1)	21. Analysis of flows, dynamics, and accessibility	6. Geographies of marginality and territorial stigmatization in an era of policy schizophrenia	31. Nordic Geography Education: Educational continuum from school geography to higher education and continuous learning	41. Biopolitics and the geographies of tourism	24. Advances in GIS and open source approaches	25. Climate mobilities	45. Beyond numbers and algorithms – deep-diving into the platform-mediated gig economy
10:35 – 10:45	Small coffee break							
10:45 – 12:15	Panel: Socio-spatial theory in Nordic Geography (Slot 2)	21. Analysis of flows, dynamics, and accessibility	6. Geographies of marginality and territorial stigmatization in an era of policy schizophrenia	31. Nordic Geography Education	13. COVID-19, second homes and the development of Zoom-towns	23. Future health geography and geospatial health	36. Lively terrains and matters of care in socioecological transformations	
12:15 – 13:15	Lunch break							
13:15 – 14:35	Panel: Socio-spatial theory in Nordic Geography (Slot 3)	39. 'Autonomous' geographies	6. Geographies of marginality and territorial stigmatization in an era of policy schizophrenia	31. Nordic Geography Education	13. COVID-19, second homes and the development of Zoom-towns			
14:40 – 15:00	Closing of the conference (Room M 100)
